

# Why switch to unaccompanied shipments?

**Cut your shipping bill!** - Seatruck can help to save up to 30% per crossing compared with driver accompanied by simply switching to unaccompanied.

**Make more efficient use of your equipment!** - Tractor units available for continuous work, not out of action for 8 hours.

**Make more efficient use of your drivers!** - Drivers should be driving not spending time on ferries.

**Reduce road miles!** - The central location of the Seatruck routes are closer to collection and delivery points saving road miles.

**Deal with a freight specialist** - Seatruck is the only 100% freight only dedicated service on the Irish Sea.

**Benefit from year round freight only routes** -No seasonal impacts with holiday cars and passengers competing for ferry space. Seatruck can facilitate these seasonal peaks and troughs in volume.

**Unaccompanied can now compete with short sea routes** - With brand new fast 22 knot purpose built vessels Seatruck can now offer fast transit times to rival short sea routes but with reduced road mileage.

**Seatruck offer innovative options for onward delivery** - Need your trailer delivered in Ireland then we can help!
